

Disclosure of Special Requirements

A. Physical Capability

After acceptance into the College, each student will be required to have their private physician conduct a physical examination attesting to the fact that the student can complete the program and demonstrate competency in the various physical tasks required of the discipline.

B. Florida Department of Law Enforcement

The student must be able to pass a complete background check by the Florida Department of Law Enforcement (VECHS program) following acceptance, but prior to admission. Undisclosed background information will result in immediate dismissal from the program. If any charges are pending prior to entering the program, the student will be deferred until the charges are resolved. Charges that affect the student's Florida RN license will not be allowed to enter the program.
